

8 AUG 1946

TO:

X Assistant Executive Director

FROM:

X Acting Chief, Interdepartmental  
Coordination and Planning Staff

ENCLOSURES:

1. Memo from Asst.  
Dir. S.O. to Asst.  
Executive Dir.,  
1 August 1946.

2. Memo from Asst.  
Dir. R&E to Asst.  
Executive Dir.,  
7 August 1946.

1. ICAPS does not concur in the recommendation of the Office of Research and Evaluation. This dissent is based on the fact that SSU reports are the product of a CIG operation.

2. It is, therefore, requested that the Office of Research and Evaluation be directed to use such personnel and facilities as it may now have to perform the best evaluation possible on SSU reports.

3. It is further requested that the Office of Special Operations be directed to direct its flow of SSU reports to the Office of Collection, CIG, rather than to G-2 so that proper and prompt distribution, including distribution to ORE may be made.

4. It is further requested that the Executive for Operations inform G-2 that CIG is prepared to undertake the evaluation of SSU reports.
